Old Riven Paving

Pavers

For a natural stone appearance at a very competitive price, choose Bradstone Old Riven, a popular choice for any patio.

Old Riven features a stratified surface profile and comes in a choice of four weathered colors: Autumn Bronze, Autumn Cotswold, Bluestone and Lilac. Use a single size and color for a uniform appearance, or if you're feeling inventive, combine shades to create a richly timeworn, random effect for your new patio.
